

## **Schedule a Consultation**

Estate planning does not have to be inconvenient. Ms. Davidson will meet you at your home, office, or other preferred location.

Complimentary one hour consultations are available for individuals or couples who mail, fax or email the estate plan questionnaire to Ms. Davidson in advance of their first meeting. Don't worry if you cannot answer all the questions. Identifying your questions and concerns is a great starting point. Ms. Davidson will review your responses, focus on your particular situation, and determine which estate planning options will best accomplish your goals.
